Friday: Subject – Apothecary Offering – Book: Exo 30:34-38

Giving is an expression of your love to God. It's not the amount that counts. It's how you give that matters. This ministry gives exclusively for the teaching. We don't give to get back like other ministries promote. With that being said, I want to talk about the Apothecary Offering. This particular offering combines every other offering in the Bible into one. What makes this so special? God calls it pure and holy, plus, it's the only time of the year that He can receive an offering of this magnitude. Give with understanding so God will accept it.

Saturday: Subject - Giving – Book: Matt 4:1-11

In these verses, the devil approaches Jesus and tempts Him three different times. With the third tempt, he offers to "give" Jesus all the kingdoms of the world if He would bow down and worship him. Satan was trying to be a giver because he knew that giving pleased God and it would also be a way of getting back to God. As I said before, giving is a form of worshipping and God demands that you worship him correctly or you'll be rejected as the devil was.

Sunday: Subject – Faith & 8th day – Books: Heb 11:6, Eph 4:5, Jude 1:3, Rom 10:14-17

Throughout the world today, people attended church believing they were pleasing God in their own way. For all those who did, you did so in vain, because there's only one way to please Him and that's by faith. Therefore, one must know what faith is and also how to get it. That information was covered in depth, but I will say faith cometh by hearing which brought me to my next subject - ears. We found that there are eight styles of ears in the Bible as well as eight ears that are mentioned in the New Testament, but unless you have an "ear to hear" you cannot be saved, which just happens to be mentioned eight times in Revelations.
